

## ***Ten Thousand Reasons***

*Intro:*    **G   C   G   D   Em   D   C   G**

**C                    G   D   Em   C                    G   D**  
Bless the Lord O my soul O my soul Worship His Holy name

**C   Em   C   Em                    C                    D   C   G**  
Sing like never before O my soul I'll worship your Holy name

**C                    G                    D                    Em**  
The sun comes up It's a new day dawning

**C                    G                    D                    Em**  
It's time to sing Your song again

**C                    G                    D                    Em   Em**  
Whatever may pass and Whatever lies before me

**C                    G                    D                    G**  
Let me be singing when the evening comes

*Chorus*

**C                    G                    D                    Em**  
You're rich in love and you're slow to anger

**C                    G                    D                    Em**  
Your name is great and your heart is kind

**C                    G                    D                    Em   Em**  
For all your goodness I will keep on singing

**C                    G                    D                    G**  
Ten thousand reasons for my heart to find

*Chorus*

**C                    G                    D                    Em**  
And on that day when my strength is failing

**C                    G                    D                    Em**  
The end draws near and my time has come

**C                    G                    D                    Em   Em**  
Still my soul will sing Your praise unending

**C                    G                    D                    G**  
Ten thousand years and then forever more
